Education

MTL / Sprout demo product-knowledge deck — seed content.

Overview

- What the entourage effect actually means
- Myrcene, limonene, caryophyllene — reading a COA
- Why one terpene never tells the whole story
- Talking points for terpene-curious customers

Budtender Talking Points

Use this deck to guide customer conversations. Ask about desired effects before recommending a specific product, and always confirm the customer's tolerance level.

Notes

This is placeholder demo content generated for the Sprout staging environment. Replace with real brand collateral before production use.
